

Thank you for your interest in 1000 Friends of Maryland!

Companies have the opportunity to support the work we do to protect natural areas, revitalize our existing communities, and advocate for better transportation choices, through several means:

- Provide **Annual Support** which shows the community that your company is a true leader, and is also vital to the success of 1000 Friends of Maryland,
- Take advantage of **Community Investment Tax Credits**, ask how your donation can provide your company with tax relief through this program, and/or
- Reach audiences by **Sponsoring our Events** or by **Hosting a Private Party**.

Depending on your level of support, your company's name and logo will be included with our communications and marketing efforts which reach more than 3,000 members and partners across the state.

Event sponsorships are available at the following levels:

1. **Premier, \$2,500:** Admission for 8 to all of our forums and fall cocktail reception, business logo and link on our website for event sponsorship, company name included in a special section of our annual report, premier recognition at all events, logo on event materials.
