

FARM FEST

celebrating all things local

October 2, 2010, 12:00 – 5:00 PM

Prigel Family Creamery

Long Green Valley Road, Glen Arm MD

Over 1000 people will gather at the Prigel Family Creamery for an afternoon of music, farmers market and local food and drink. This fun afternoon supports 1000 Friends of Maryland's program to ***Keep Farmers Farming***.

The event will feature four local well known bands, a farmers market and a children's area with farm related games and animals. There will be raffles and games for adults and vendors selling a variety of local foods and drinks.

Keep Farmers Farming's four goals:

- *Promotes the importance of agriculture to our economy, heritage, and environment*
- *Supports healthy local food for our communities*
- *Ensures continued funding for programs that protect agricultural lands*
- *Advances programs, policies, and resources to help current farmers – and new farmers – stay on the land and remain profitable.*
